

ENVIRONMENT POLICY

ANKASAN MAKİNE A.Ş.; with an environmentally sensitive management approach, it has determined its behavioral patterns towards its employees, customers, society and the environment and has published this Environmental Policy in order to share it with all parties.

ANKASAN has established a structure in accordance with the ISO14001:2015 Environmental Management System standard in order to ensure continuous environmental production.

- To carry out all applications, investments and all processes with relevant parties within the institution by taking into account their environmental impact.
- Reducing the consumption and ensuring the efficient use of natural resources to maintain the environmental sustainability.
- Making evaluations, take actions and re-evaluate the analyses annually through “Environmental Risk Analysis” and “Environmental Dimension - Impact Analysis” studies covering all processes.
- Making environmental assessment and take necessary measures during the commissioning of new materials.
- Avoiding environmental pollution and continuously improve environmental performance by following scientific and technological developments and ensuring their integration into.
- Monitoring all chemical materials used and Material Safety Data Sheet (MSDS) data, and to ensure that safety information is available in chemical usage areas.
- From the planning phase to the end of the waste life cycle, reducing and keeping the possible environmental impacts under control.
- To ensure the classification and safe temporary storage of recycling waste for recovery.
- Reducing the wastes in their sources as much as possible and recycling them.
- Provide training on environment to its' employees and raising the environmental responsibility awareness.
- Setting environmental goals and objectives annually and ensuring continuous improvement focused on environment.
- Following and ensure compliance with all relevant legal requirements regarding environment and waste management.

Determined as the company policies, we adopted the issue above as our responsibility and undertake to fulfill as Ankasan family.
